

## **Performance in one Area**

### **Joya gogoi college, Khumtai**

Since the Vision of the college is

*“Impart Quality Higher Education for all round development of the students in particular & neighbouring community in general”*

and the primary mission or objective is

*“To make intellectually alive & socially responsible citizen”*

Therefore the college along with its stakeholders has been working effectively by executing its various plans and programmes.

The college always tries to provide the best of its facilities for quality academic and non-academic performance of the students and also organizing various co-curricular and extension activities to make the students intellectually alive & socially responsible citizen.

To make the students intellectually alive the college regularly acts as in the following

- (1) Provides teaching aids such as slide projector/OHP, LCD, models, charts, maps, boards, smart class room etc.
- (2) Facilitates library facilities such as necessary text & reference books, magazine, journals, newspapers, separate sitting arrangements for students and teachers, internet facilities, Xerox facility etc.
- (3) Facilitates infrastructure facilities, such as spacious and neat & clean class-room, electrification, separate toilet for girls and boys
- (4) Ensure student class attendance more than 75%
- (5) prizes to the 80% marks scorer in the final examination
- (6) maintaining regular classes
- (7) Organizing seminars, talks, group discussions relating to the courses & other important issues.
- (8) Regularly holding unit test, Sessional test
- (9) Organizing educational tour, field visit.
- (10) Conducting skill development courses etc.

On the other hand to make the students socially responsible citizen- the different existing committee/ cells/units/ unions of the college have done various activities under the Governing Body of the college.

Some of them are mentioned year wise in the following -

- 1) Special Swachatta Programme in 1<sup>st</sup> part of Dec/2018.
